## DESIGN FIRST APPROACH

Mozio introduces a symphony of modern and timeless designs in coordinated decor. A collection of breathtaking creations that elevate ceramic aesthetics to unprecedented heights. Beyond bricks and mortar, a house is crafted with devotion and fondness. This same ardor resonates in every mozio creation, where conceptual design, innovation, and cutting-edge technology converge.

## THE DRIVING FORCE

- Satisfy the desire for elegance and simplicity.
- Offer beauty and substance.
- “Progress Together” develop inspiring relationship with each of our stakeholders, customers, suppliers, employees and the society

## WE ARE THE BEST, BECAUSE WE FOCUS ON

- Innovation in design as we continuously strive to bring you the best designs from across the globe.
- Each Mozio product promises you the best quality. Each product is backed by the “Mozio Warranty”
- Wide choice to suit each person’s individual requirement.

## OUR PHILOSOPHY

Mozio attributes its success to its meticulous and diligent workforce. While we are obsessed about perfection and design, we also give attention to offering a rejuvenating experience to our customer. Innovation is the core of Mozio’s philosophy.

## DESIGN GIVES THE LEADING EDGE

Perfect balance in form, function and usability is what makes for a design that stand out. Mozio maintains this harmonized design approach in all its bathroom concepts. A successful mix of environmentally friendly technologies, innovative production methods, market knowledge and years of design experience has given us a cutting edge over others. Our designs simplify the bathing experience with a combination of functionality and luxury.

## WARRANTY TERMS & CONDITIONS

1. The warranty is valid only with a GST invoice detailing the purchase of good.
2. The warranty covers only manufacturing defects of the product, which prevent its normal operation.
3. The warranty is not valid in case of damages which have appeared during transportation or as result of improper handling, installation, operation or maintenance. Breakage due to any reason whatsoever is not covered under warranty.
4. If repair work is carried out by a person not authorized by the company, then warranty will be void.
5. Warranty shall be void if any modification or alteration of any nature is made to original product.
6. The warranty will not cover normal wear & tear of the product.
7. The company is not liable for any damage out of faulty installation.
8. The company is also not liable to pay for any civil or construction work required during installation of Sensors & electrical components new products or replacement/repair of old products. Re installation of the spare parts to be carried out by the buyer.
9. Every product has limitations and in time may deteriorate from handling, cleaning or exposure to atmospheric conditions such as extreme climate, pollution, and proximity to salt water, humidity and ultraviolet rays. Eventual tarnishing is therefore, not a defect, but a normal process, which is unavoidable. Cracking and colour fading is a natural characteristic of vanity and thus the same is excluded from the warranty. Proper care would ensure that these products last a longer period.
12. Ceramic Warranty is only valid on White Sanitaryware.
13. Always use the screw provided by the company for installation of floor mounted sanitaryware products and no black/white cement is to be used as it may result in cracking of the product, instead you may use silicon.
14. If the surface defect such as pin hole is found within the first three month of purchase, the customer is entitled for free replacement. In case the defect is found after three months of purchase & before the warranty period expires, the customer has to pay half the value of goods.

\*\* Vanity Cabinets (to be used in Dry Bathrooms only) - Warranty would be Void, if the damage is caused due to placement in wet bathrooms

Whereas all highest grade material are used in our assembly , our decision on warranty claim will be considered final and binding.

## CARE INSTRUCTIONS

### SANITARYWARE, STONE JEWEL AND SINTERED COUNTERS

The product can be cleaned with warm water, a mild soap and a clean soft cloth. Do not place the product outdoors or in direct exposure to sun light. It is not required to use any abrasive cleaning pads, wire wool or micro-fibre cloths to clean the product. Avoid a vigorous cleaning action. Abrasive or strong cleaning products containing ammonia, bleaches, alcohol, dyes, acids (hydrochloric, formic, phosphorus, chlorine or acetic) will be detrimental to the product finish.

Wherever Rose Gold/ Gold/ Silver/ Matt Finishes/ Marble Finishes or any other type of special finishes are used on ceramic products, use only warm water to clean and then dry with a soft cloth. Ensure that specialized cleaners are only applied to the specific area and do not come into contact with other materials that could be affected by it. Do not use strong cleaners (such as Harpic, etc.).

Always test the cleaning agent on an inconspicuous area before applying to the whole surface, do not allow the cleaner to remain on the product for a period of time. After cleaning, rinse thoroughly with clean water. After cleaning, dry with a soft cloth.

### VANITY

The product must only be cleaned with dry soft cloth. Do not place the product outdoors or in direct exposure to sun light. It is not required to use any abrasive cleaning pads, wire wool or micro-fibre cloths to clean the product. Warranty would be Void, if the damage is caused due to placement in wet bathrooms.
